

# Driving Instructions

- ❑ First just so you are forewarned, its always best to get the GPS for the rental car but sometimes the GPS directs our guests to the wrong place. If you put Tuis on the GPS then you would be certain to get here.
- ❑ The driving directions are from San Jose drive to Cartago this is highway # 2.
- ❑ Next head to **Turrialba on highway # 10.**
- ❑ From Turrialba continue on the highway # 10 towards **Siquirres** but soon after Turrialba you will cross a bridge over the Rio Reventazon and 100 meters after this bridge, just at the top of the hill there is a road turning to the right that goes to La Suiza this is highway # 414- TAKE THIS ROAD
- ❑ Continue on to **La Suiza**, then continue to **TUIS.**
- ❑ From Tuis continue **1 km** and you will see the entrance to Rancho Naturalista on your left.
- ❑ You will see some small signs on both sides of the road. Take this road 1.8 km all the way to the end and you will arrive at Rancho Naturalista. This road is a dirt road with some cement in places and rocks so it is recommended to have a 4x4 for the high clearence needed although a car will also make it but it will not be as good as a 4x4 car.
